Access ebooks & audiobooks for inside or outside the classroom

Faculty and Staff
Did you know you can browse, borrow or request ebooks and audiobooks from our digital library? Encourage students to use the Libby app to check for course-related titles or borrow titles for your personal use. Here's how to access:

1. Download the Libby app
2. Search for our university library
3. Sign in with your credentials
4. Browse, borrow and read!

Use the "Notify Me" feature or reach out to our library directly to request titles
