Getting started with the

OverDrive app

You can use the free OverDrive app to enjoy digital titles from your school.

NOTE: The OverDrive app is available for Android™, Chromebook™, iOS®, Kindle Fire®, and Windows® 8 and up.

STEP 1

Install the OverDrive app from your device's app store or from overdrive.com/apps/overdrive.

STEP 2

Sign into the OverDrive app.

NOTE: To determine which app sign-in option is best for you, especially if you're under 13, visit help.overdrive.com.

STEP 3

Find and save your school's OverDrive collection in the app.

STEP 4

Open your school's OverDrive collection, sign in, and borrow a title. You'll need a student ID for this step.

STEP 5

Borrowed titles will appear on your **Checkouts** page in your school's collection. From here, you can:

- Send a Kindle Book (U.S. only) to your Kindle device or Kindle reading app.
- Download a title to your **Bookshelf** in the OverDrive app.
- Read or listen to a title in your web browser.

NOTE: Digital formats and titles vary by school, and some enjoyment options may not be available for every title.
