#DisabilityPrideMonth

July is Disability Pride Month. This month marks the 1990 enactment of the Americans with Disabilities Act. This law extends civil rights protections to persons with disabilities and assured that all Americans would benefit from their unique contributions. We are honoring those with disabilities and paying homage to those that support and care for these members of our communities with this curated collection of films. To help you spread the word to your patrons about our Disability Pride Month collection, we've prepared this marketing toolkit to assist in your messaging efforts.
