TeachingBooks®

Today you will experience…

- New ways to consider your children's / YA collections and displays
- Experience analyzing small collections
- Identifying cost-free, actionable adjustments for your collections

Specifically, we'll examine titles in…

- Displays
- Programming
- Classrooms
- Small-ish Collections

Please sign in for this hand-on session:

TeachingBooks.net/Access

What we will do today…

1. Start by picking a small set of titles from a collection or display.

What we will do today…

2. Import your titles into the analysis tools.

Quick Add by Book Title

Any Combination of Title or Author

Bulk Add

- Paste a List of Titles & Authors
- Paste a List of ISBNs
- Upload a CSV File
- Import a TeachingBooks List

What we will do today…

3. Reflect on your findings to identify next steps.
