

# Libby.

## Getting started with audiobooks

Borrow and listen to digital audiobooks from your university using Libby.

1

Install Libby for Android, iOS, or Fire tablets from [overdrive.com/apps/libby](https://overdrive.com/apps/libby). Or, visit [libbyapp.com](https://libbyapp.com) in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your university and sign in.

3

Browse your library's collection and borrow an audiobook.

4

Visit your **Shelf**  to find your borrowed audiobooks. In the mobile app, borrowed titles are automatically downloaded when you're on Wi-Fi, so you can listen while you're offline.

On your **Shelf** you can:

- Tap **Open Audiobook** to start listening in the app.
- Tap **Manage Loan** to see options like **Renew Loan** and **Return Early**.

Happy listening!

Libby is made possible by your university and built with ❤️ by OverDrive.
