

Open a world of reading

Sora, the student reading app

The Sora reading app gets your students reading more.

Sora is your gateway to the world's largest selection of ebooks and audiobooks available to schools, spanning millions of titles from thousands of publishers. With a catalog for all interests and abilities, Sora engages all readers with instructional titles, pleasure reading and even professional development resources for educators.

Sora opens a world of reading for all, on virtually any device, offline or online, any time.

The app comes loaded with hundreds of premium titles that don't cost your school a penny

- Premium, simultaneous-use titles, constantly refreshed with new additions
- Required reading classics: *Emma*, *Call of the Wild*, *Great Expectations*, *Hamlet*
- Student favorites: *Diary of a Wimpy Kid*, *El Deafo*, *The Terrible Two*, *Every Falling Star*
- Browse and borrow from your local public library's digital collection via Public Library CONNECT

Start with the included collection, then customize your platform with purchased titles that support your school's curriculum.

Here's how to launch Sora for your school district:

1. A district representative activates Sora.
2. Your IT contact sets up access using your school's preferred sign in, eliminating the need for another login!
3. OverDrive helps you add an available public library collection.
4. Educators & librarians use our promotional kits to get kids reading with just a tap.

Lift off with Sora today!

- Contact us to talk about your school's reading objectives.
- Or, have a district representative activate Sora and get started for free!

an exclusive Sora feature

With this partnership enabled, students browse and borrow age appropriate ebooks and audiobooks from their local public library using their school credentials. PLC expands choice and access, especially for kids who may not have a library card, and lets schools leverage their library's investment in juvenile and YA content. Sora brings schools and libraries together side-by-side, in one seamless student experience.
