### THE QUEENS' VISIT

The dungeon was a miserable place. Light was scarce and flickered from the torches bolted to the stone walls. Foul-smelling water dripped inside from the moat circling the palace above. Large rats chased each other across the floor searching for food. This was no place for a queen.

It was just past midnight, and all was quiet except for occasional rustle of a chain. Through the heavy silence, a single set of footsteps echoed throughout the halls as someone climbed down the spiral steps into the dungeon.

A young woman emerged down the steps dressed head-to-toe in a long emerald cloak. She cautiously made her way past the row of cells, sparking the interest of the prisoners inside. With every step she took, her pace became slower.
