Too late!

Jack stared out his bedroom window. The rain kept falling. And falling.

"The TV said it would stop by noon," said Annie, his seven-year-old sister.

"It's already past noon," said Jack.

"But we have to go to the tree house," said Annie. "I have a feeling the M person will be there today."

Jack pushed his glasses into place and took a deep breath. He wasn't sure he was ready to meet the person yet. The mysterious person who had put the books in the magic tree house.

"Come on," said Annie.

Jack sighed. "Okay," he said. "You get our raincoats and boots. I'll get the medallion and bookmark."

Annie ran to get their rain gear.

Jack reached into his drawer. He took out the medallion.
