

Connect your members to their faith anytime, anywhere with a digital library

Your organization is a trusted place for people seeking resources, information and guidance. Providing a digital library is an extension of your organization's mission and vision that can support, educate and inspire your members.

Whether you want to create a book club or provide supplemental materials for your church groups, OverDrive has the ebooks and audiobooks you need. We provide the best-in-class selection of fiction and nonfiction titles to support your faith and mission.

- Biblical commentaries
- Children's religious stories
- Family & relationship
- Ministry/serving
- Self-help & spirituality
- Social concerns
- Biographies
