All collections

Create curated or automated collections of titles you own and publish them on your OverDrive website. This is a great way to showcase the content in your digital collection and boost circulations for included titles.

"Published collections" are all collections (curated or automated) that are currently live on your site. "Book collections" are collections of curated collections that are currently live on your site.

To begin creating either a curated or automated collection, click the "CREATE COLLECTION" button.

Pro tip

New for Advantage libraries

Advantage libraries can customize the collections at their digital library by modifying the consortium's collections or curating their own.

1. Select the CURATE tab.
2. Select the location on the site where you'd like to customize your collections.

3. Set the “Customize Advantage collections” setting for that page to YES.

Customize Advantage collections

YES NO

You are currently maintaining all collections in this section of your Advantage site. To automatically display your consortium's collections in this section of your site instead, change this setting to NO.

Create collections based on purchase orders

1. Export the contents of a purchased cart to a spreadsheet (or use the **Purchase order history report** to export an old purchase order).

PURCHASE ORDER HISTORY

View all purchase orders placed by your library, including orders placed through Holds Manager, RTL (Recommend to Library) Manager, or Smart Lists.

2. Click **Advanced search & curate** from the curation interface to open the advanced search form.
3. Copy all the ISBNs from your spreadsheet and paste them into the ISBN field in the advanced search form, then click **Search**.

ISBN / UPC / Catalog ID

9780307351487.00 x	9780739346808.00 x		

To search multiple ISBNs (max of 200), enter a list of print and/or eBook ISBNs where each ISBN is separated by a comma or semicolon or line break.

4. Add search results to your chosen collection.
