

Method Learning: Now available on OverDrive

Self-paced online learning platform built with students in mind

Provide the students in your community with a cost-effective way to prepare for academic and financial success using Method Learning. Designed to work with unique learning styles and busy schedules, Method Learning's selection of self-paced programs allow students to learn at their own pace.

Method Learning resources are the perfect complement to your existing community programming and services. All Libby Extras are discovered through the Libby app, alongside the ebooks, audiobooks and magazines you currently offer. Please note Method Learning Test Prep, Academic Success and Financial Literacy are three different Libby Extra offerings and require separate budgets. Plus, coming soon, we are offering direct links, customized webpages for your library that allow you to feature each Libby Extra service individually.

METHOD LEARNING TEST PREP

A comprehensive self-paced program proven to raise ACT and SAT scores.

- Diagnostic evaluations that establish baseline scores and set goals
- Weekly checklists that move students through each section of the test
- Quizzes after each lesson, with instant feedback — like having a tutor on your computer!
- Thousands of questions in the test database
- Timed full-length exams to simulate the real test
- Resource materials, like quick prep guides and formula sheets
- Robust reporting on quiz and test results that highlight students' strengths and weaknesses
- A vocabulary builder to improve students' expertise

METHOD LEARNING ACADEMIC SUCCESS

A course designed to help students establish good habits, develop study skills and effectively manage time.

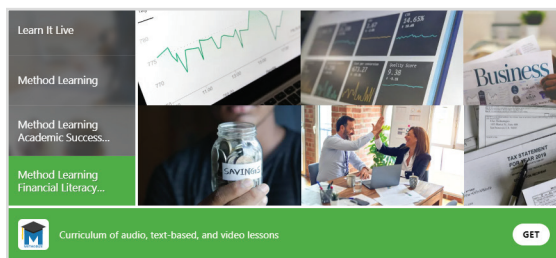

- Better understanding of their learning style
- Self-paced online course that allows students to learn at their own pace without a real-time instructor
- Develop study, memory, and test-taking skills
- Gain critical thinking and problem solving strategies
- Lessons include audio, video, and questions to keep students engaged.
- All course content is available at anytime as long as they can connect to the internet

METHOD LEARNING FINANCIAL LITERACY

Lays the foundation for students to build strong money management habits early on.

- Tips on establishing good financial habits
- Self-paced program so they can learn at the speed that works best for them
- Comprehensive curriculum can be used across middle school and high school grade levels.
- Simple, easy to navigate user interface
- Engaging lessons with quizzes
- Immediate feedback after each quiz with explanations

METHOD LEARNING MAKES IT EASY TO CONNECT YOUR COMMUNITY TO THESE POWERFUL RESOURCES

- 30 days of unlimited access for a single price
- No secondary account or technical setup required
- Highly customizable accessibility options
- Free marketing support in the Resource Center
- Usage data available in Marketplace
