

The Great Courses: Now available on OverDrive

Engaging & understandable lectures by esteemed professors, professionals & experts

Introduce your users to a world of knowledge with The Great Courses! **Taught by distinguished and legendary instructors, The Great Courses has hundreds of educational and entertaining videos on photography, physics, art, astronomy, history, health, and so much more.** No matter what your users are interested in, they'll find their favorite subject.

The Great Courses content is available for simultaneous use so users can binge-watch lifelong learning videos the same way they do on their paid streaming services. New videos are added every month and users can watch and learn at their own pace without commercials or interruptions.

The Great Courses content is accessed through the Libby app, alongside the ebooks, audiobooks and magazines you currently offer. Add The Great Courses today to engage your community and help introduce new users to all the digital services your library offers! Plus, coming soon, we are offering direct links, customized webpages for your library that allow you to feature each Libby Extra service individually.

WHATEVER THE TOPIC IS, THE GREAT COURSES HAS VIDEOS ON HOW TO DO IT, HOW TO LEARN IT, OR HOW IT HAPPENED.

Popular courses include:

- Fundamentals of Photography
- The Inexplicable Universe: Unsolved Mysteries
- The Black Death: The World's Most Devastating Plague
- Cognitive Behavioral Therapy: Techniques for Retraining Your Brain
- How to Play Chess
- Practicing Mindfulness

Give your users the exciting opportunity to learn from world-class instructors:

- Mathematician Arthur T. Benjamin
- Celebrated astrophysicist Neil deGrasse Tyson
- National Geographic's master photographer Joel Sartore
- Music Historian-in-Residence Robert Greenberg
