

DIGITAL BOOKMOBILE

A high-tech update to the traditional Bookmobile, this traveling exhibit tours public libraries and schools to promote their digital catalog to their communities. Equipped with interactive workstations, touchscreen activities, devices to sample titles and more, the Digital Bookmobile has everything a reader needs to get started browsing the library's or school's digital catalog of ebooks, audiobooks and more. **The 42-foot long mobile exhibit travels throughout North America and is free to host and attend. Learn more at digitalbookmobile.com.**

THE EXPERIENCE

- Digital Bookmobile experts along with library or school staff available onboard to provide assistance and answer questions
- A variety of devices allow visitors to browse their library or school's digital collection
- Touch-screen TVs offer an interactive learning experience
- Wheelchair lift offers ADA accessibility for visitors
- Visitors can bring their device and library card to get help getting started
