## Spotlight: Inside Activities for Inclement Weather Days

Unpredictable spring weather can mean a lot of time cooped up inside.

The [Stuck Inside](#) collection in Sora is a great place to find ideas for fun inside activities for all ages.

IDEA: Share with parents for some spring break inspiration!

## Hot Tip: Plan for Summer Downtime

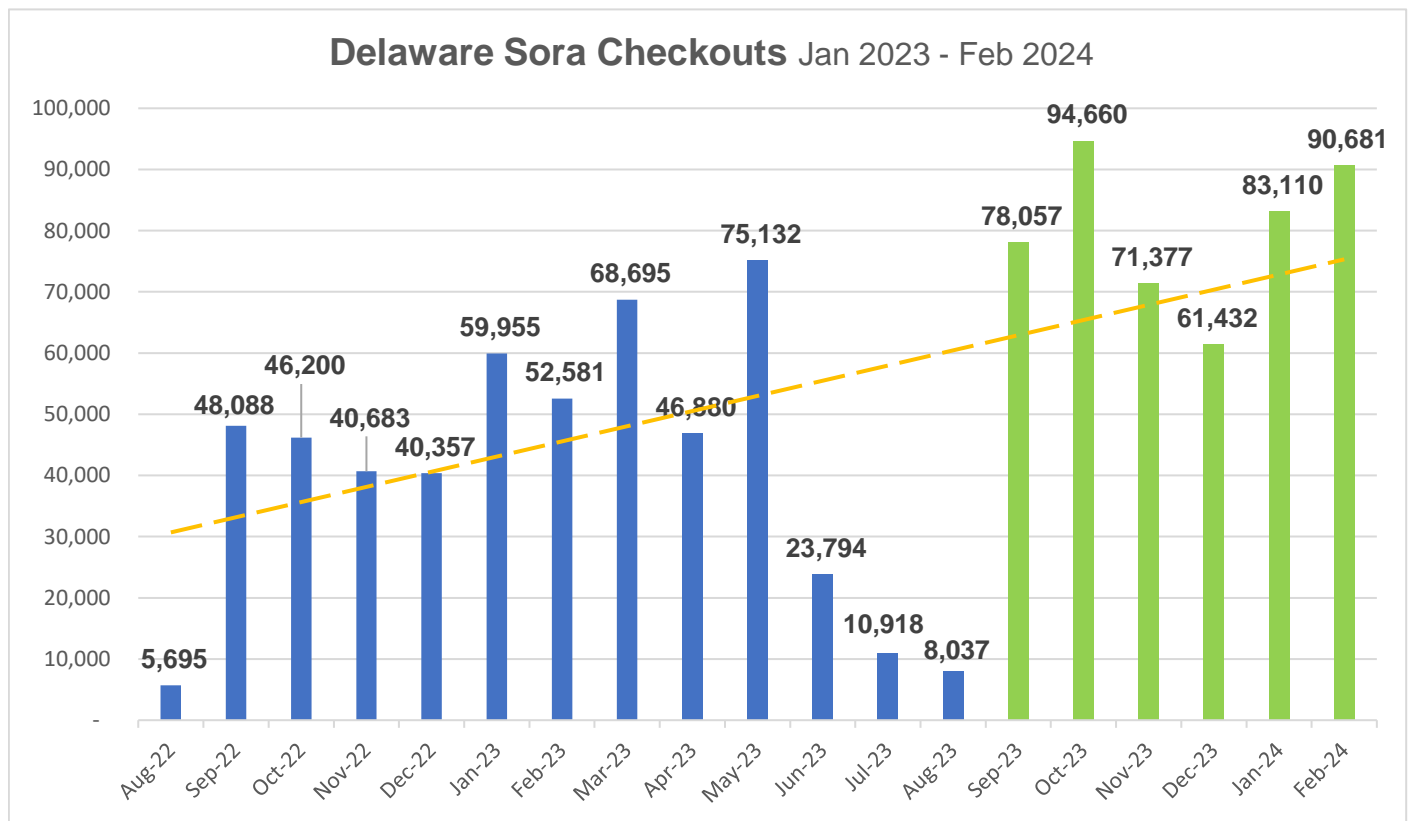

As IT sets up for the new school year, they may make changes that impact your Sora connection. Here are some ways you can be proactive to avoid issues and keep students reading!

- ✓ **Confirm IT Contact:** Please email [Cara](#) with the name and email of the IT contact for Sora logins. This helps us know who to contact if there are any login issues next school year.
- ✓ **Plan for Summer Updates:** Please contact [Cara](#) if IT will be making major changes this summer or if you want to switch how students log into Sora. We can schedule updates to minimize downtime for your readers.
- ✓ **Add Rostering Upgrade:** Explore optional [integrations](#) with your LMS or SIS to help with [Class Set](#) Assignments and creating classes in the student dashboard.
