

Get to know On-Demand Class Sets

Fast, affordable and easy: Get every student copies of the books they need

Ensure students always have access to the curriculum books they need with On-Demand Class Sets in the Sora student reading app.

What are On-Demand Class Sets?

On-Demand Class Sets are short-term ebook rentals available through OverDrive Marketplace, Sora's shopping and administrative portal.

Why choose On-Demand Class Sets in Sora?

Trending titles

Digital Class Sets give you the flexibility to read the latest releases – you're not limited to what you already own in print!

Quick access

Get books to students within 24 hours (or less).

Ease & convenience

Digital books are simple to distribute, accessible on any device and never take up shelf space.

Cost-effective pricing

Titles start at \$0.99 per student and cannot be lost or damaged.

Real-time reading data

Authorized educators can leverage school- or student-level reading data to measure how titles are being used in real-time.

HOW TO USE ON-DEMAND CLASS SETS

How they work:

- You can purchase On-Demand Class Sets before you know who will need the book or when (Tip: reserve and bundle titles so that students can't borrow them early!).
- No assigning required; students borrow titles in Sora as needed.
- Students have access for 90 days after the date they borrow the book.
- Students cannot return these titles early.

What they're great for:

- Required classroom reading
- Choice curriculum reading
- Small and large book clubs
- Required all-school or all-grade reads
- Providing titles as-needed to specific students or groups of students

“On-Demand (Digital) Class Set rentals significantly increase our capacity to be responsive to district-wide curriculum needs. They're a smart, responsible use of our curriculum budget dollars. In short, they're a game-changer!”

- Suzi Tonini,
Denver Public Schools (CO)
