

Magazines now available in Sora

50+ titles at one affordable price for students of all ages

Give your students more reasons to fall in love with reading with digital magazines in the Sora app. These educational and entertaining titles are accessed alongside the ebooks and audiobooks you currently offer, with the award-winning ease of use your readers already enjoy with Sora.

From popular titles your students can't get enough of to educational titles to complement your curriculum, digital magazines in Sora offer something for everyone – at a single affordable price.

AVAILABLE WORLDWIDE!

Why add digital magazines to your Sora collection?

The case for giving your students magazines in Sora is pretty simple:

- **Engaging content:** Popular titles at one affordable price
- **Convenient access:** All titles are simultaneous-use and most include back issues
- **One platform:** The same outstanding user experience in Sora, with reflowable text eliminating pinch zoom
- **Insights:** Leverage data on usage
