# Today's Session

## Benefits

Learn about  
the benefits of  
implementing  
Sora

## Funding

to provide a  
broad and  
balanced  
collection

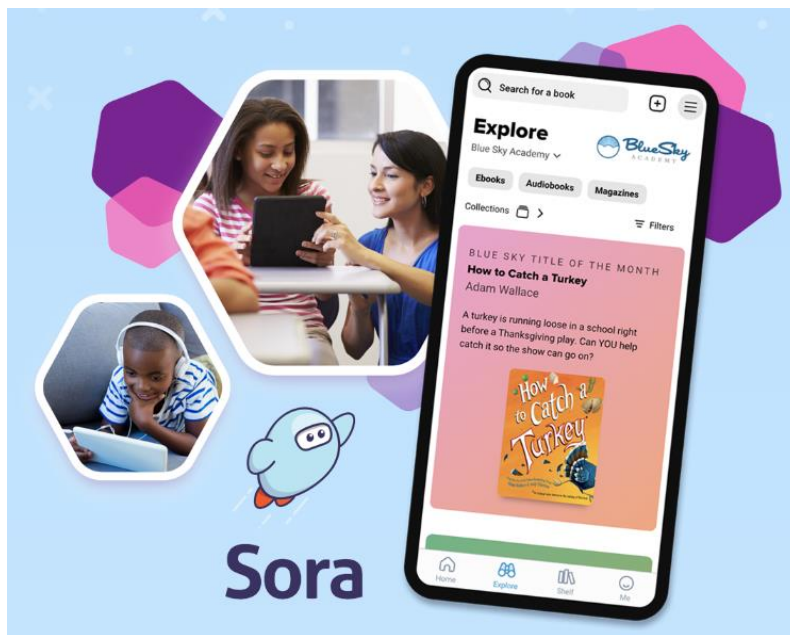

## Build

A high quality  
collection  
with Sora

# Sora by Overdrive

... is a digital reading app that empowers K-12 students to access age-appropriate ebooks and audiobooks from their school library. Expands the depth and breadth your print library collection giving students more choice when selecting books.

# Benefits

 **Added Flexibility and more choice to existing print collection**

 **Easily accessible;**  
 **Integrates with Schoology & Classlink**

 **Set Content Level Access**

 **Exemplary Support**

Brought to you by Tomball ISD, and built with  by Overdrive
