## STEP 3

Find and save your library's OverDrive collection in the app.

## STEP 4

Open your library's OverDrive collection, sign in, and borrow a title. You'll need a valid library card for this step.

## STEP 5

After you borrow a title, you can:

- Send a Kindle Book (U.S. only) to your Kindle device or Kindle reading app.
- Download the title to your **Bookshelf** in the OverDrive app.
- Select **Read now in browser** to read certain titles in your web browser.

**NOTE:** Digital formats and titles vary by library, and some enjoyment options may not be available for every title.
