

Instructions – Getting Started with Libby Patron Training

Use the ***Getting Started with Libby*** PowerPoint template and demonstration checklist to prepare and deliver patron training classes at your library.

Materials Needed:

- *Getting Started with Libby* PowerPoint
- *Getting Started with Libby* demonstration checklist
- An iOS, Android, or Windows 10+ device
- A compatible projector and screen
- *Optional:* Print the “Try Libby” Libby Marketing Kit from the [Resource Center](#) to distribute to participants.

Instructions:

Review the training materials, then follow the directions in the PowerPoint to customize the template for your library. Remove references to formats your library doesn’t offer, and/or insert details specific to your library.

Pay attention to the notes section on the bottom of each slide for helpful talking points and tips from OverDrive Training.
