

How to use Instagram Stories Templates:

1. On your phone, visit the Resource Center and click **Download** on the Sora Instagram Stories template of your choosing.
2. Save the Sora Instagram Stories template to your photos.
3. On your phone, visit www.overdrive.com. Search for the book you'd like to feature.
4. Save the book cover image to your photos.
5. In the Instagram app, tap the **+** to create an Instagram Story.
6. At the bottom of your screen, be sure you have selected **Story**. The app defaults to **Post**.
7. Choose the template from your camera roll.
8. Tap the square smiley face icon at the top.
9. Scroll through the options and choose the picture/camera roll icon.
10. Find the book cover you saved.
11. Resize it to fit over the dotted lines.
12. Post!
