SHARING TITLES TO GOOGLE CLASSROOM

Share:

- Individual titles, including Class sets
- Curated collection of books
- Search results (for specific authors, series, etc.)
- The Home, Explore, Shelf, or Me tab

The image illustrates the steps to share a book from Sora to Google Classroom. The top section shows a laptop screen with the Sora website. A red box highlights the URL in the address bar, and a red circle highlights the 'Copy' button in the context menu. The bottom section shows a tablet screen displaying the book 'How We Got to Now' by Steven Johnson. A yellow arrow points from the 'Copy' button on the laptop to the 'Share to Classroom' button on the tablet. The tablet screen also shows the Google Classroom interface with a 'Biology' class selected and a 'Create assignment' button.

A photograph of a classroom setting. In the foreground, a young Black male student is seated at a white circular table, focused on a silver laptop. He is wearing a green t-shirt and a gold chain with a cross pendant. Standing behind him is a Black male teacher in a dark blue blazer over a white t-shirt, looking down at the laptop screen. In the background, a young woman with long dark hair is seated at another table, looking off to the side. The room has bookshelves filled with books and a bright, modern aesthetic. A semi-transparent blue banner is overlaid on the left side of the image, containing the text 'GOOGLE CLASSROOM ADD-ON DEMO' in white, bold, sans-serif capital letters.
