Title assignments

When you assign a title in your collection to students, you choose the number of students to receive the title, and how long they'll have it. This way, multiple students can read the same digital title at the same time, and you don't have to worry about availability. To learn about getting started with title assignments, visit this help article.

Title assignment

Fields marked by * are required.

1 SEARCH TITLES

2 * Authentication name

Authentication name refers to how your users sign into your school's OverDrive website. Select the option that's closest to your school name.

* Start date

Select a date (today or later). If you assign a title on the start date of today, it can take up to 3 hours to process.

* End date

Select a date (cannot exceed 180 days from the start date).

5 * Email address(es)

Enter the email address(es) for yourself and any staff members who should receive notifications and warnings about this assignment (including an email when the assignment begins, or if more copies need to be purchased).

Internal note

Example: Class A - Johnson 25 characters remaining

* User IDs
