The screenshot shows the Lowood School Digital Library homepage. The top navigation bar is blue and contains the school name, a language dropdown set to 'English', a 'sign out' button, and icons for 'account' and 'help'. The 'help' icon, which is a question mark inside a circle, is circled in orange. Below the navigation bar are three tabs: 'SUBJECTS', 'COLLECTIONS', and 'LEVELS'. The main content area is divided into two columns. The left column is titled 'Using your digital library' and lists links for 'Borrowing titles', 'Reading titles', 'Making and Exporting Notes', and 'Listening to titles'. Below these links is a section titled 'How do I listen to borrowed audiobooks in my browser?' with a dropdown arrow. The text below this section says: 'From your Checkouts page select Listen (if shown) to listen to borrowed audiobooks in your browser using OverDrive Listen.' Below this text is a card for the audiobook 'The Bonesetter's Daughter' by Amy Tan. The card features the book cover, a 'Download (MP3 Audiobook)' button, and a 'Listen (in your browser)' button. The 'Listen (in your browser)' button is circled in orange. Below the card is a star rating and a 'Return Title' button. The right column is titled 'More Help' and lists five categories: 'Educator Resources', 'OverDrive Help', 'Software', 'Reading Levels & Scores', and 'Support'. Each category has a circular icon and a brief description.
