INDIGENOUS PEOPLES MONTH

Songs My Brothers Taught Me (2015)
Directed by Chloé Zhao

Each November, Indigenous Peoples Month invites us to celebrate the voices, traditions, and enduring contributions of Indigenous peoples. Kanopy helps students and faculty honor this month by providing streaming access to powerful films that spotlight Native history, culture, and contemporary experiences. This November, let these films go beyond celebration and use them to watch, listen, and learn from Native voices that continue to shape our history and future.
