#Juneteenth

Miss Juneteenth

Our programming team has chosen titles that seek to educate, respect, and honor the legacy of Juneteenth by remembering the toll that slavery has taken on our country and acknowledging the joy in those who found they were set free. This collection also showcases the sacrifices and resolve that men and women of color have shown for many years. To help you spread the word to your patrons about our Juneteenth collection and its award-winning narrative and documentary films, we've prepared this marketing toolkit to assist in your messaging efforts.
