

A best-in-class experience  
wherever users go

Our exceptional catalog is delivered across best-in-industry interfaces that users expect. All products are heavily user-tested and—most importantly—familiar and intuitive to users when compared to premium mainstream services.

Stream films anytime, anywhere  
on a user’s preferred device.

**Public Performance Rights (PPR)**

No need to worry about copyright infringement as PPR is included with many videos.

**Powerful Admin Tools**

A robust portal built for librarians to facilitate detailed reports.

**Marketing Support**

# Why 4,000 Libraries Love Kanopy

Our platform contains the world’s most remarkable titles that entertain, stimulate imagination, and spark meaningful conversations. From thoughtful documentaries, binge-able series, kids content, and more, Kanopy features collections from The Criterion Collection, Warner Bros., MGM, Lionsgate, and thousands of independent filmmakers.

## Kanopy + Your Library: The Perfect Partnership

Our plans with simultaneous access reflect your patrons’ different viewing habits and help libraries like yours fulfill their mission of democratizing information from around the globe.

### Guaranteed Value with Pay Per Use

No upfront or platform fees—you only pay for the value generated to your community.

### Ongoing Program Support

Our experts provide monthly curated collections tied to educational, timely, and entertaining themes along with compelling marketing tools.

### Continual Innovation

We pride ourselves on listening to customers, acquiring the highest quality videos, and developing new technologies to ensure patron satisfaction.

### Group Showing Rights

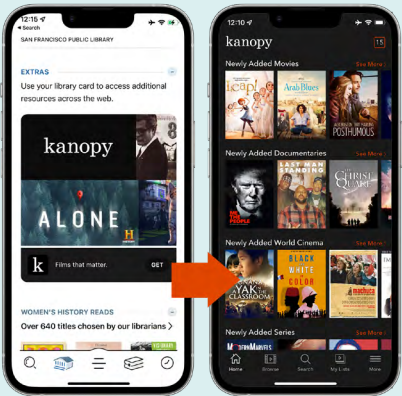

Kanopy uniquely provides PPR\* which helps libraries create strong community engagement through programming events and other uses through your library.

# kanopy kids

Now offered as an add-on subscription to your PLUS or PPU Program, Kanopy Kids is a tightly curated collection with unlimited access to the best children’s programming to support early literacy, STEM education, and even foreign language learning. Using beloved characters from Sesame Street, PBS Kids, and more, our Kids titles inspire empathy and critical thinking in young viewers.
