## Kanopy Ticket System

Below you will find resources to help inform your community about the Kanopy switch from Credits to Tickets.

**As a refresher, the below list defines the changes taking place:**

- Instead of play credits, users will have a monthly **ticket** allotment.
- Each ticket represents \$1 (£0.75) in cost to your library.
- Every title is labeled with a ticket value and viewing window.
- More flexible content pricing, including reducing the cost of some content.
- The Great Courses will be included in the ticket system.
