DIGITAL CONTENT FOR LIFELONG LEARNING

OverDrive is a global distributor of digital content for libraries & schools. We work with more than 92,000 public libraries, K-12 schools, colleges, universities, corporations and government agencies in 115 countries.

As a mission-based company, OverDrive seeks to create *"a world enlightened by reading."* To help achieve this, OverDrive supports libraries and schools with a variety of content offerings, reporting capabilities and hands on support services. We serve communities directly with our highly-rated and award-winning apps:

OVERDRIVE CONTENT OFFERINGS

Ebooks & audiobooks

Extend beyond the physical walls of your library and offer anytime, anywhere access to ebooks and audiobooks. Purchase in a variety of lending models to help you stretch your budget.

Public Library | Schools | Colleges & Universities | Corporate & Government

Films

A carefully curated collection of over 30,000 films, TV shows and other streaming media within the Kanopy platform—many with group viewing rights—offers something for everyone in your community. Kanopy joined OverDrive in 2021.

Public Library | Colleges & Universities | Corporate & Government

Magazines

With 4,000 titles, OverDrive Magazines have no circulation cap and allow unlimited simultaneous use, so patrons can enjoy every issue of every magazine. New updates make it easier for patrons to discover magazines, start reading, and subscribe.

Public Library | Schools | Colleges & Universities | Corporate & Government

"As a collection development librarian, I'm curating and also recognize that Kanopy is doing curation, so our selection is double curated to deliver a quality collection for our patrons."

Hope Harms, eResources Librarian at Johnson County Library

Extras

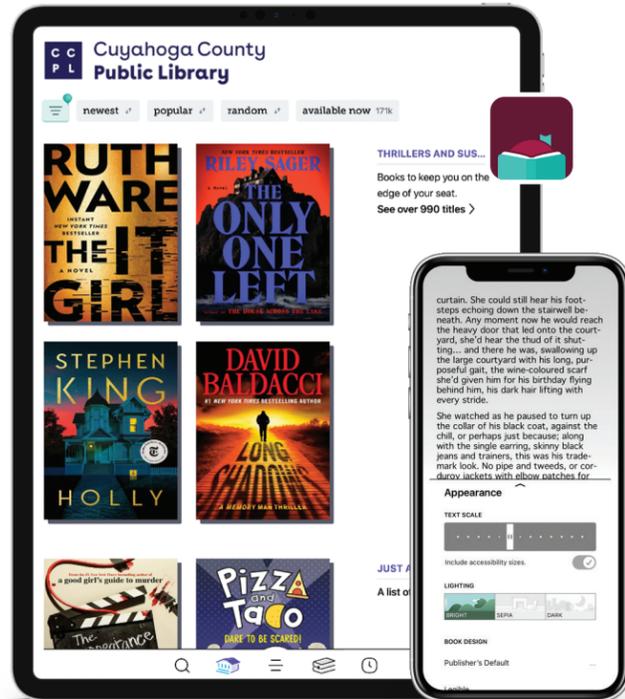

Engage your community with content that entertains, educates, and provides unique digital experiences. We're excited to share resources for continuing education, entertainment, and much more. Such services include: ArtistWorks, Craftsy, LawDepot, Method Learning, The Great Courses and many more.

Public Library

OVERDRIVE FAMILY OF APPS & SERVICES

Libraries work to purchase all of the great content through OverDrive and make it available to patrons through these consumer facing applications and services.

2022 winner of WIRED Best ebook Subscription Service for Every Kind of Reader

Libby.

The library reading app

The award-winning Libby app was built with ❤️ for readers of all ages.

Browse & search

Patrons can easily browse your digital collection, from ebooks and audiobooks to magazines, read-alongs, comics and graphic novels.

Curate for your community

Customize collections that resonate with your community and align with your library brand.

Personalized user experience

Libby allows for adjustments to be made to font size, book layout, and lighting. Plus, users can add bookmarks, create notes, highlights and define words as they read.

kanopy

Films that matter

Kanopy delivers an industry-leading selection of over 30,000 highly curated films.

Extensive catalog, carefully curated

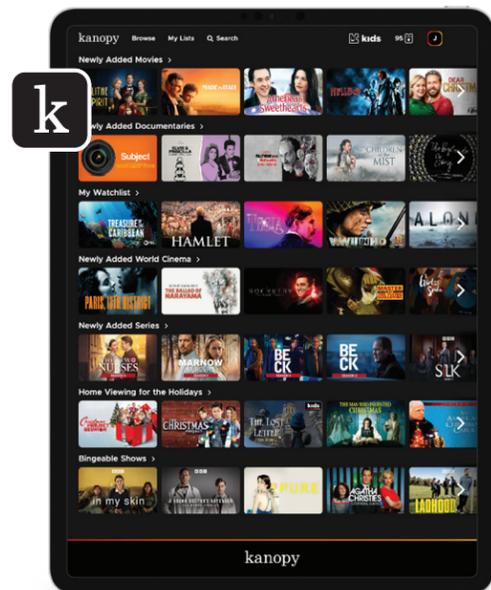

Our film experts provide monthly curated collections tied to educational, timely and entertaining themes along with compelling marketing tools.

Easy access on variety of devices

Find the Kanopy app everywhere from Apple, Amazon, and Google devices to smart TVs. Or watch online at kanopy.com.

Public performance rights

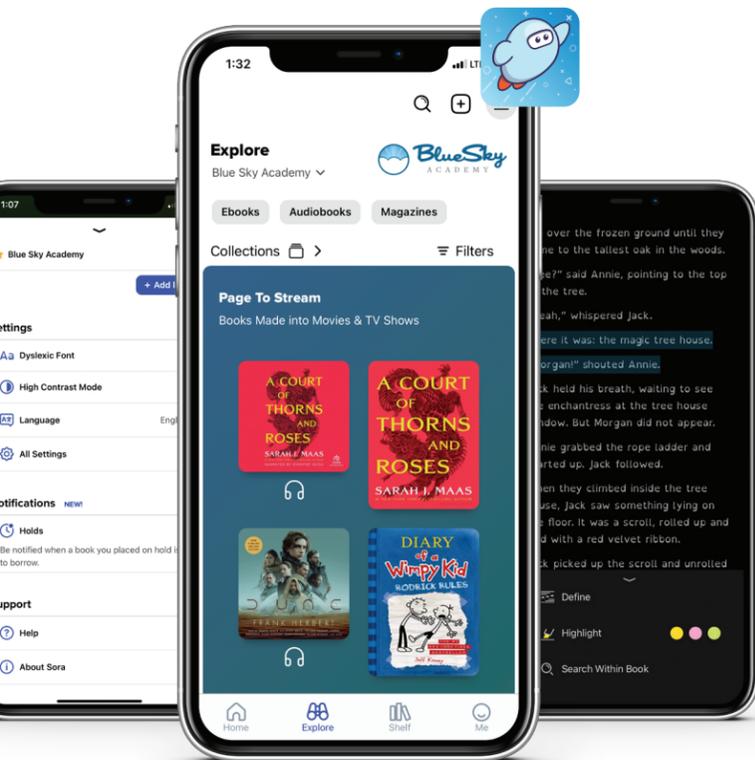

Kanopy uniquely provides Public Performance Rights so you can create strong community engagement through programming events and other uses through your library.

“The user-friendly Libby App, coupled with the convenience and cost-effectiveness of OverDrive’s platform, has proven to be an invaluable resource for us, and we couldn’t be more pleased with the results.”

Cynthia Kremer, Assistant Professor and Librarian at Joliet Junior College

2023 winner of the Best of Show Award at ISTE

The award-winning Sora app is a K-12 digital reading platform that ensures every one of your students has access to the right books for literacy achievement. It empowers learners to discover and enjoy ebooks, audiobooks, Read-Alongs, comics, magazines and more from their school and, gives educators deeper insights into students' reading progress. Visit discoversora.com for more information.

Access for every reader

Improve reading equity across your entire school community with 24/7 access to inclusive books from any device, with just a tap.

Powerful learning tools

Powerful annotation tools help students engage more critically with texts.

Personalization options

Meet the needs of every reader with accessibility and personalization features.

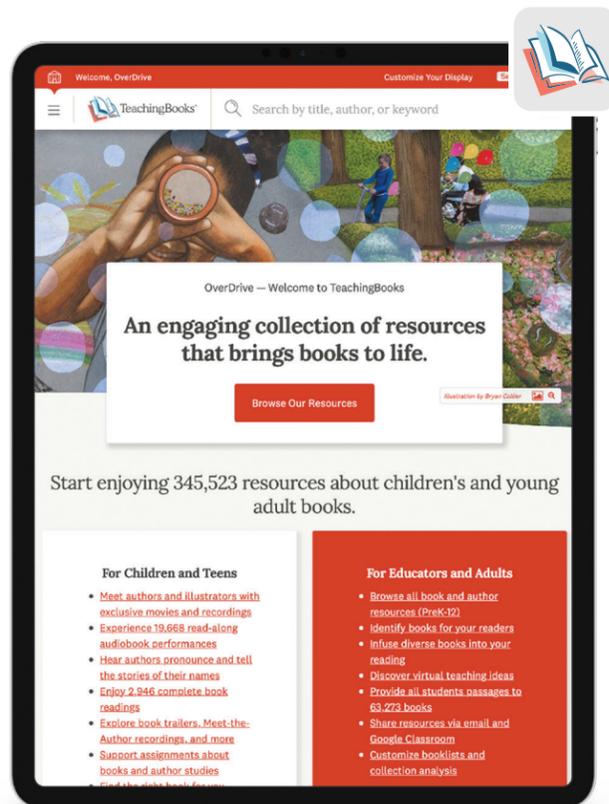

TeachingBooks complements Sora's mission in k-12 schools with an engaging collection of resources to "bring books to life." Also available to public libraries, TeachingBooks provides access to hundreds of thousands of curated materials from trusted educational sources to enrich how books are consumed. TeachingBooks joined OverDrive in 2021. Visit TeachingBooks.net for more information.

340,825 resources that make the world of books and authors more accessible and engaging for learners of all ages and backgrounds.

Enjoy author interviews, video book trailers, discussion questions, vocabulary lists, interactive games and more to help educators and students connect with the books they read.

Instantaneously generated reports that aggregate professional and credentialed information about children's and young adult books.

SUPPORT YOUR DIGITAL PERFORMANCE

OverDrive Marketplace is designed to support the daily job responsibilities of all librarians and educators.

Largest digital catalog for institutional purchasing

This is where you can purchase ebooks, audiobooks, magazines, comics and graphic novels (Kanopy coming soon). 5 million titles from 81,000 publishers in 100+ languages.

Real-time reports to help you optimize your collection

Stay informed and gain insights to maximize the efficiency of your collection. From simply keeping a pulse on checkouts and holds to understanding trends and patron demand, Marketplace reporting supports insight driven decisions to help libraries better serve the unique patrons of their community.

It's an all-in-one collection development hub

COMING SOON! This major Marketplace update will better serve everyone on your library staff to build a unified shopping experience. Communicate with patrons in Libby using the Newsroom and monitor the performance of your digital library with the Loop.
