

The Libby App

The one-tap reading app from your library

Rakuten *OverDrive*[®]

The one-tap reading app

Why was Libby created?

Designed for public libraries.

Engineered from the ground up with user feedback in mind.

Who should use Libby?

New and existing users of OverDrive.

Users who enjoy ebooks, audiobooks, and magazines.

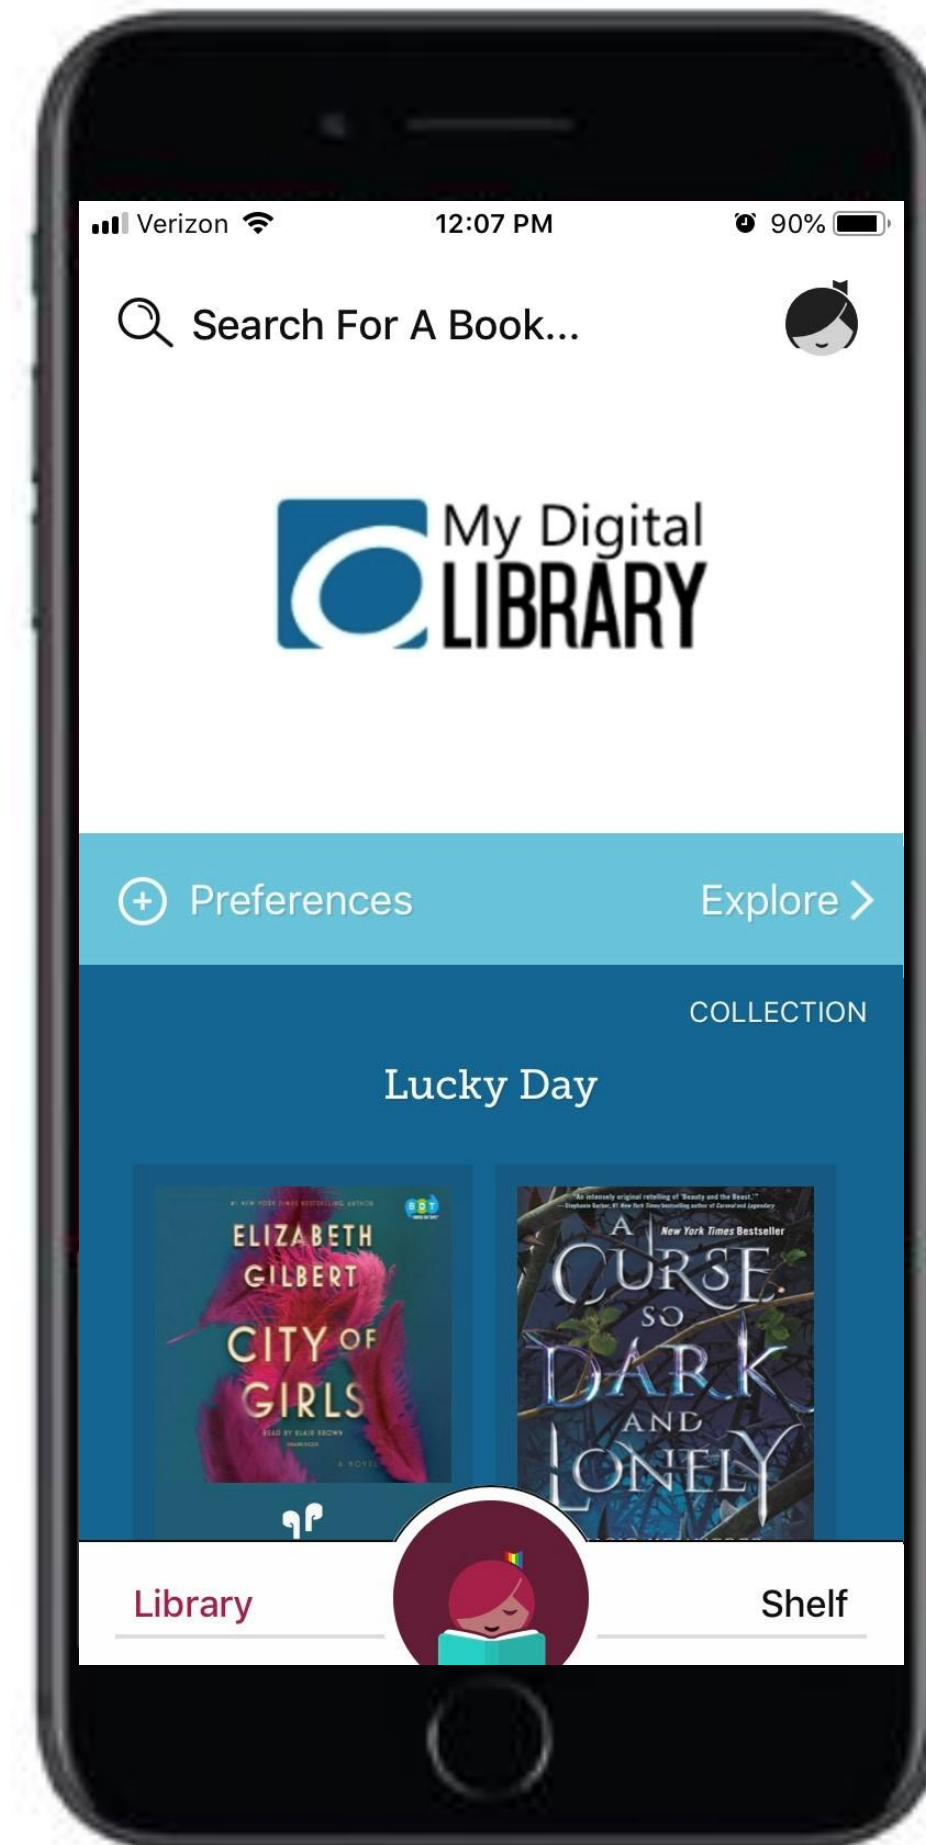

What makes Libby great?

All you need is a library card!

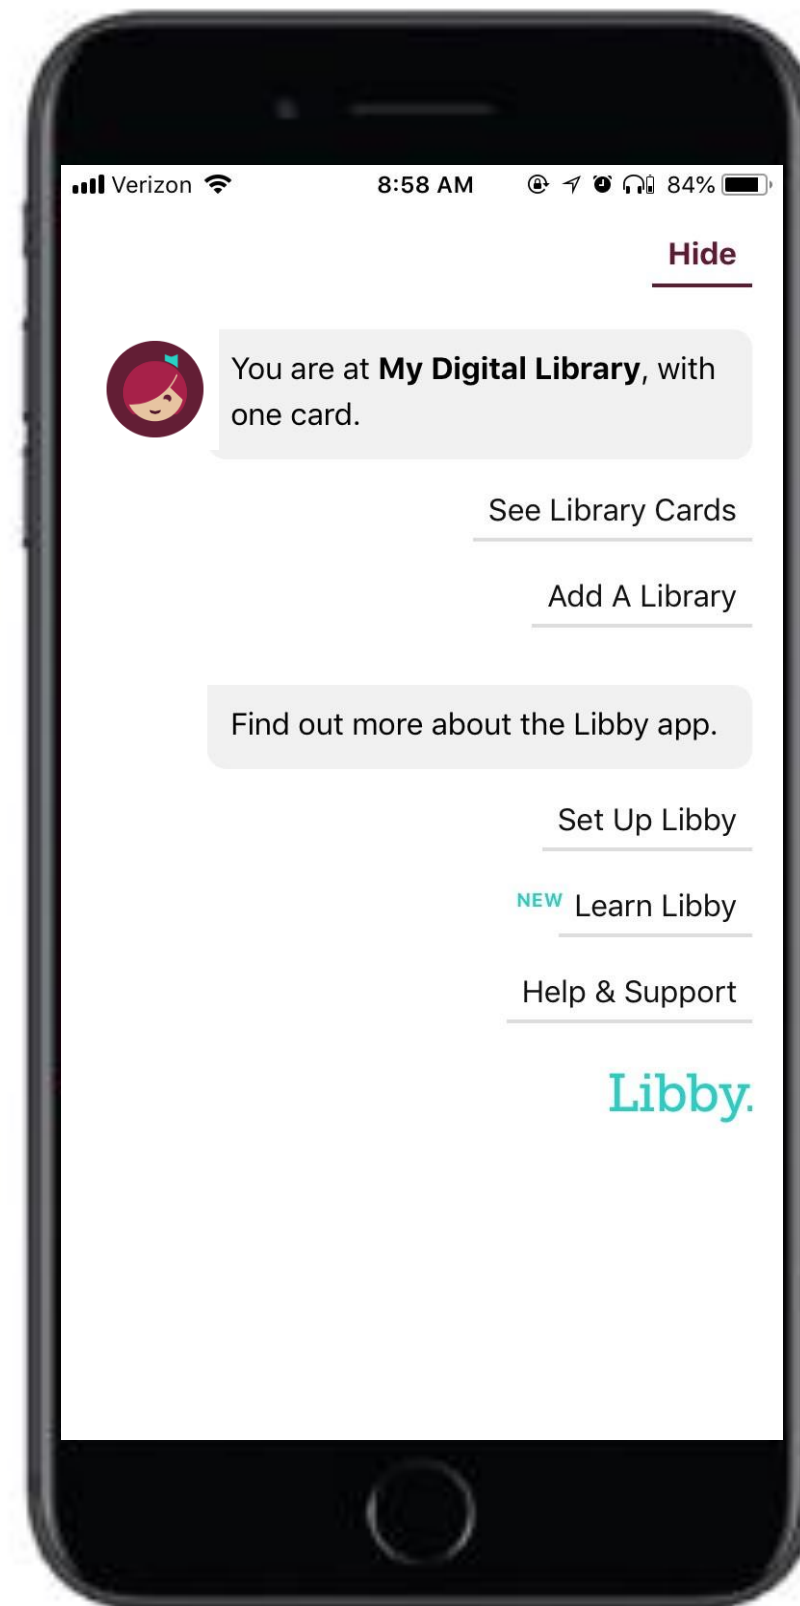

One-tap to your library, shelf, & latest read.

(Windows 10+)
