

# Meet Libby.

The one-tap reading app from your library

**Did you know your local library has thousands of ebooks and audiobooks?** You can enjoy them instantly, for free, using the device in your hand. Warm, personal and easy to use, Libby helps make reading fun. It's a friendly guide to find libraries near you, remember your library card number and search for your next great read. **Anytime, anywhere.**

## Why you'll love Libby:

- One tap to borrow, one tap to read, one tap to return the book
- Sign in to multiple libraries, with one or more cards for each library
- Download ebooks and audiobooks for offline reading, or stream them to save space
- If you prefer reading on your Kindle®, Libby can send your library ebooks to it
- Keeps track of your reading history in the Activity tab
- Remembers your place in the book, notes and bookmarks for a synced reading experience across devices
