The Libby App

The one-tap reading app from your library

Rakuten OverDrive®

A fresh and easy way to borrow and read

Who should use Libby?

New and existing users of OverDrive.

Users who enjoy ebooks, audiobooks, and magazines!

What makes Libby great?

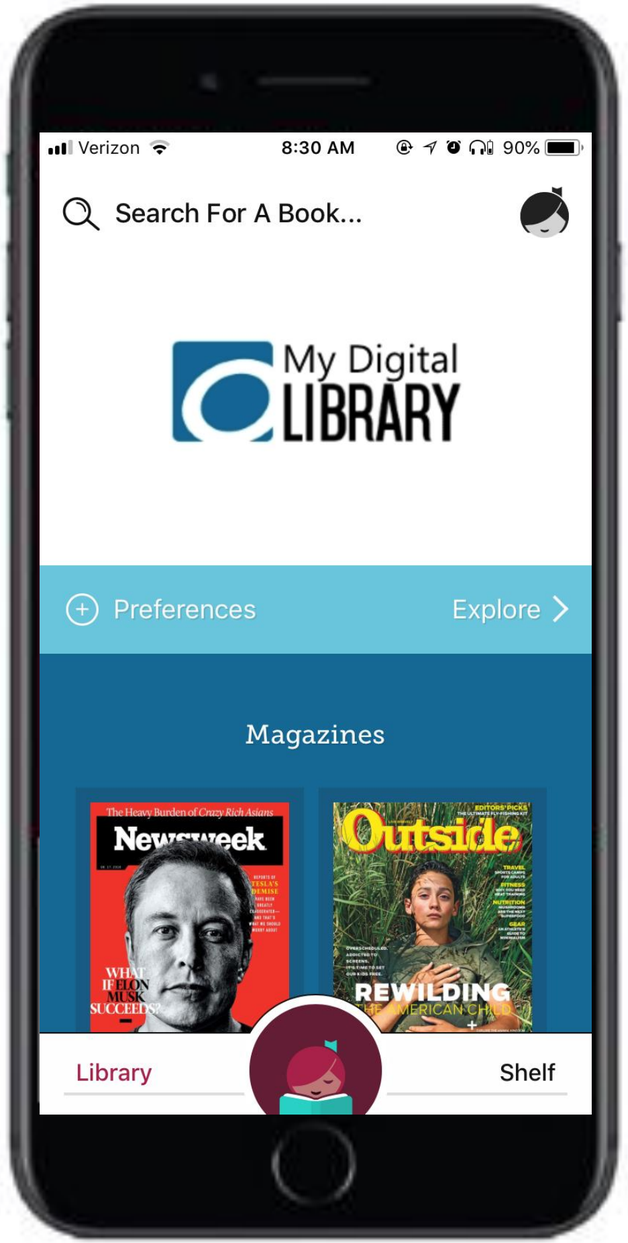
All you need is a library card!

One-tap to your library, shelf, & latest read.

Why was Libby created?

Designed for public libraries.

Engineered from the ground up with user feedback in mind.



Demonstration

To get started, you just need:

- An internet connection
- A library card
