

# Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital magazines from your public library!

1

Install the Libby app from the app store on your Android or iOS (iPhone/iPad/iPod touch) device. Or, visit [libbyapp.com](https://libbyapp.com) in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your library and sign in with a valid library card.

3

Browse your library's collection and borrow a magazine.

4

Borrowed magazines appear on your **Shelf** () and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

On your **Shelf**, tap **loans** at the top of the screen. From there, you can:

- Tap **Open in Libby** to start reading.
- Tap **Manage Loan** to see options like **Renew** and **Return**.

Happy reading!
