

# My District's Journey to Digital Book Success

# Hello

I am Kristen Spain. I am the Media Resource Specialist at McKinney High School. This is my 22nd year in MISD with 9 years in the classroom and 12 years in the library.

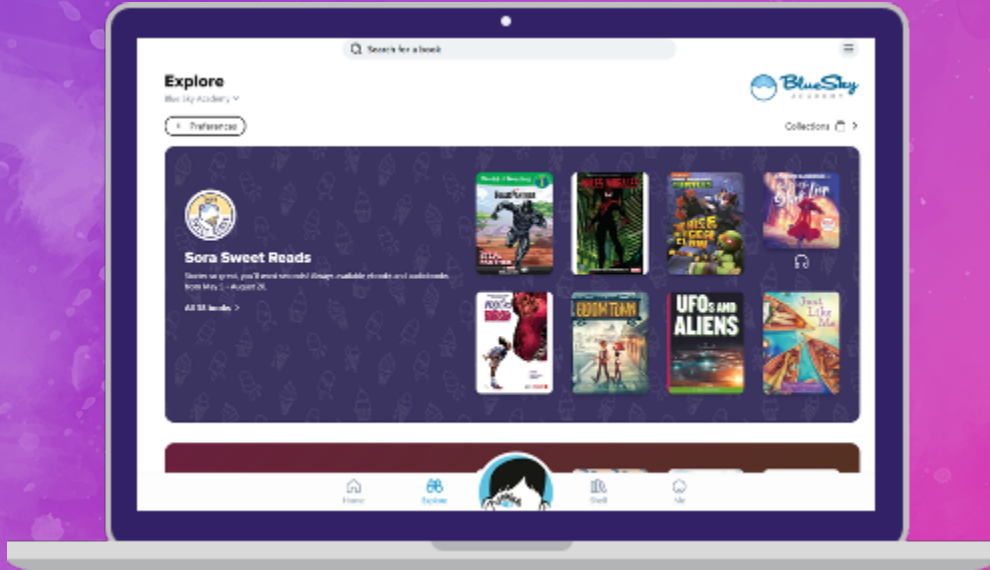

# What is Sora?

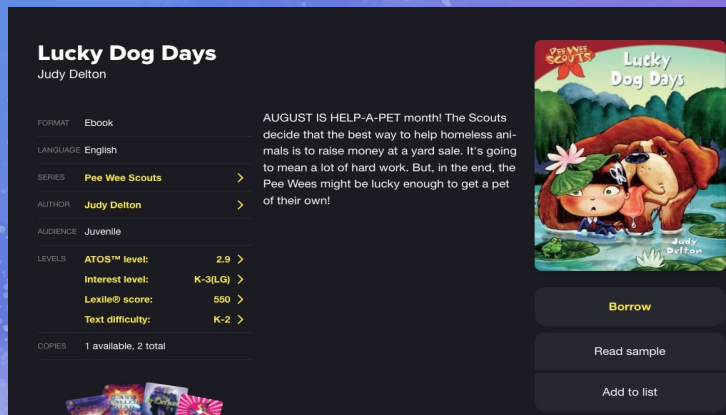

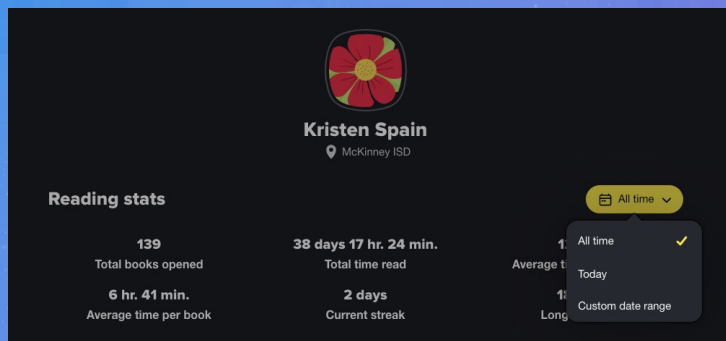

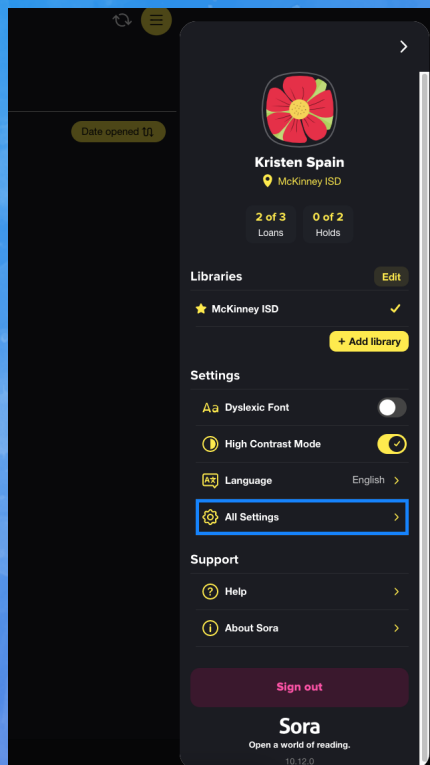

## WHAT IS SORA?

Sora is the best way for students to access your school's digital collection.

download the app

# Sora Features

- Single sign on
- Multilingual interface
- Easy browse and borrow
- Title assignment capabilities
- Offline access
- Student reading data
- Public library digital collection access

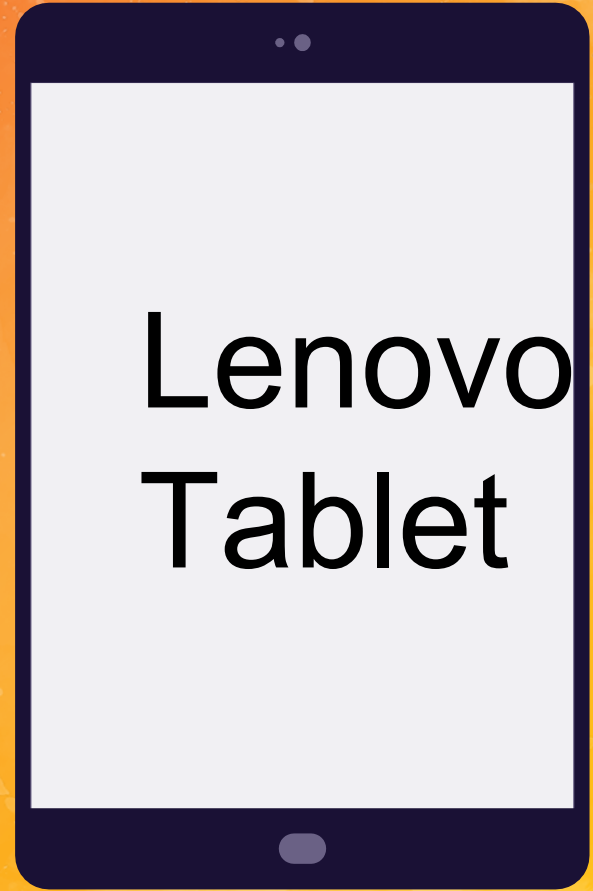

# How we got started

- Region 10 Conference 2011
- MEF Grant \$8,000 for content
- Plus \$1,200 from each of our PPA budget for start fees/platform
- Secondary Campuses Only
- Each of us purchased titles for the collection

# Phase 2

- Elementary campuses added
- Set amount budgeted from each campus at the beginning of the year
- Campuses could purchase additional content for the shared collection

# Current Process

- 3 Representatives purchase titles for the elementary, middle, and high school
- Set budget still in place
- Budget is divided up into four quarters
- Curated carts are built for us each quarter by Erin, our Overdrive Content Specialist

PURCHASE	PURCHASE	PURCHASE	PURCHASE

- Curated carts may include expired titles, holds titles, new/popular titles
- Sometimes carts are curated by level (juvenile, young adult, and adult)

# Additional Purchases

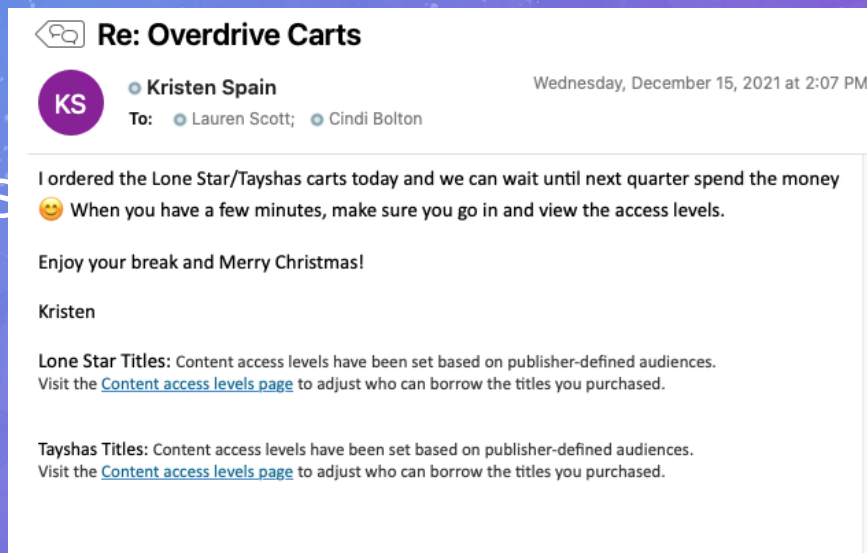

Additional content is created/purchase by the 3 representatives for that quarter if there is budget money left

# Access Levels

Once the carts are purchased, the middle school and elementary MRS go in to make sure the content access levels are correct for each title.

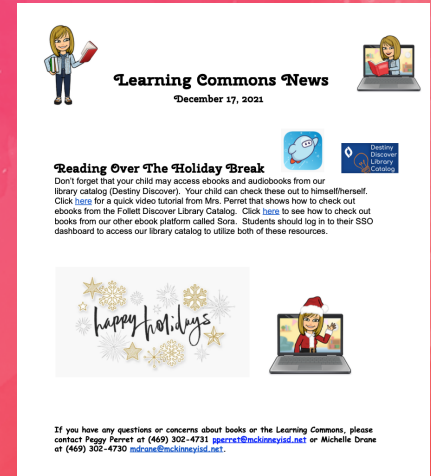

# Advantage Plus Accounts

- Every campus has an Advantage Plus Account
- Content can be purchased specifically for that campus or can move it to the district shared collection
