

Educate. Entertain. Experience.

Databases & Streaming Media

We're excited to introduce new Databases & Streaming Media Services to help you build a culture of learning through your organization's digital collection. These services include a wide variety of compelling content providers that offer accessible and flexible learning and professional development opportunities.

Users will be able to discover and access these new Databases & Streaming Media services through the Libby app alongside the ebooks, audiobooks and magazines you currently offer.

Visit Databases & Streaming Media under the Shop tab in Marketplace to learn more and add these services!

Below is a list of current Databases & Streaming Media services. We plan to expand this new catalog of content. Visit Marketplace to see the latest offerings.

Lifelong learning courses in over 30 subject areas, many of which offer continuing education units.

Live and on-demand classes, quick tip videos and programs for wellness and personal development.

World-class instruction for the most popular string and band instruments through self-paced video lessons.

Online resource for all creative makers from basic instruction to advanced techniques for crafts, baking and more.

Streaming movie service of pop culture favorites, box office hits, award-winning feature films and more.

LawDepot enables users to create customized legal documents to handle a wide range of personal and business needs.

World's largest collection of full-length concerts and music documentaries streamed on-demand.

*Current list as of 10.21.21, please visit marketplace.overdrive.com for updated list

Why offer these Databases & Streaming Media services to your organization?

- Empower your employees with unique professional development opportunities they can access instantly
