

# Magazines

*In the same digital collection as your ebooks & audiobooks*

You already use OverDrive to offer access to the best titles, authors and publishers. Now you can add access to thousands of popular magazines in your OverDrive digital library. These magazines are available for simultaneous unlimited use, and readers can seamlessly access these engaging titles via the Libby app.

## HOW DO OVERDRIVE MAGAZINES WORK?

- All magazines are available for Simultaneous Use, with no circulation caps
- Any new magazine issues will be automatically added for the duration of your subscription
- You'll pay a set annual subscription fee and receive all magazines currently available. The fee is based on your full-time enrollment
- No platform fees!
