Engage and empower your entire organization with a digital library

A commitment to building engaged, skilled and growing teams starts with an investment in employee development and wellbeing — at all levels. Build a customized library of ebooks and audiobooks that matches your company's mission and strategic goals while supporting your team's personal and professional needs. It's the digital resource that meets your employees wherever they are – in the office or fully remote.

OverDrive helps you build a custom digital library that offers everything from L&D, technical skills, and organizational culture to DEI, sustainability, mental health and personal enrichment. You can provide top titles written by thought leaders and experts in your specific industry.

Hundreds of organizations like Bloomberg Finance L.P., Edward Jones, European Central Bank and Rocket Companies use OverDrive to offer their teams titles about:

- Leadership & management
- Finance & economics
- Business ethics
- Compliance
- Diversity, equity & inclusion
- Remote work balance
- Workplace relationships
- And much more

---

OverDrive is the digital resource that is as easy to implement as it is to use. Our staff librarian are dedicated to helping you build a library from our catalog of more than 3 million titles from 30,000+ publishers. We'll make it simple.

Libby, the most awarded reading app, provides access to your customized digital library when your employees need it, no matter where they are. And because Libby can be navigated in 15 languages and is available offline, your resources will be more accessible to more readers.

See why an OverDrive digital library is the only resource available that can provide organizations of any size access to millions of ebooks and audiobooks no matter where they are. Contact OverDrive today.
