

LawDepot: Now available on OverDrive

Do-it-yourself legal documents

LawDepot enables users to create customized legal documents to handle a wide range of personal and business needs – saving valuable time and money. Every document can be finalized in just minutes and is built to local standards to ensure that it's ready for notary, filing and other transactions.

NEW! *Libby Extras Direct Links.* These customized pages for your library allow you to feature each Libby Extra service individually.

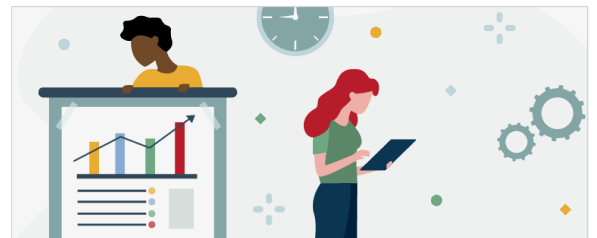

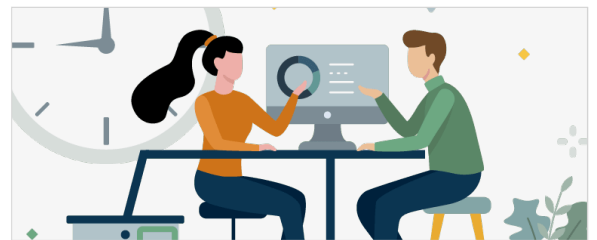

LawDepot resources are the perfect complement to your existing community programming and services and are discovered through the Libby app, alongside the ebooks, audiobooks and magazines you currently offer.

How does it work? LawDepot uses a simple question-and-answer process to collect the necessary information, then fills out the requested document and it's ready to be saved or printed. It's that easy!

- Each checkout gives patrons 30 days of access to LawDepot resources
- No secondary account required, ensuring anonymous use
- No technical setup required
- Free marketing support in the Resource Center
- Usage data available in Marketplace
- LawDepot provides direct patron support by chat, phone or email
