PRODUCT NEWS

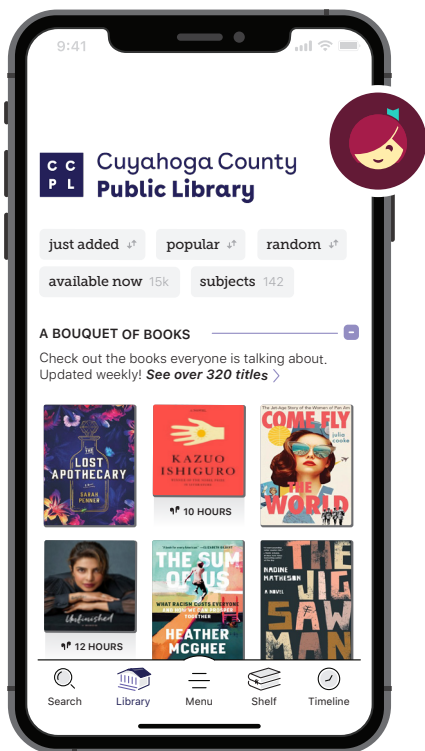

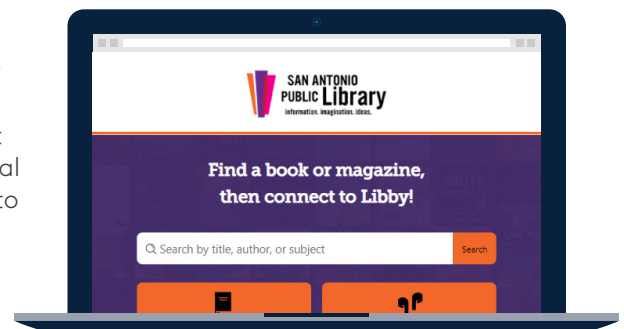

Libby Updates

Designed with feedback from users and our library partners in mind, the latest Libby updates enhance the digital reading experience and help readers find more of the books they love.

- Changes to make the app **more accessible** to readers with a variety of needs
- **Smart Tags** allow users to sync their OverDrive wish lists, automatically tag borrowed and sampled books, and get notified when the next issue of a magazine is available from the library
- Updated **icons**, a **new central menu button**, and **easy access** to library search and their timeline
- Users with **multiple library cards** can easily toggle between them to see if a book is available at other libraries

Libby Showcase

COMING SOON! The Libby Showcase is free touchscreen software designed to support discovery of the library's digital collection by allowing a user to search, sample, and get links to titles in Libby.
