

Open a world of reading

Sora offers the ability for students to explore age-appropriate digital books from their local library!

Here's how to access titles from your local library through Sora:

- 1 Install the Sora app from the Apple App Store or Google Play Store, or go to soraapp.com.
- 2 In Sora, find your school (or enter your school's setup code), then sign in.
- 3 Under your Profile, select **+ Add a public library** and enter the name of your local library.
- 4 When you are ready to borrow a title, sign in with your public library card number and start reading!
