

Spanish ebooks & audiobooks for every student

Authentic & translated texts for multilingual learners

In the U.S., over 4 million K-12 students (8.4% of total public school enrollment)¹ speak Spanish as a home language, with Spanish being the most widely taught foreign language in schools.

The Sora student reading platform makes it simple to provide 24/7 access to Spanish-language digital books, comics and magazines that will meet the literacy needs of your native Spanish speakers and language learners alike, at every grade level.

WHY ADD SPANISH-LANGUAGE DIGITAL CONTENT?

- **Support English Language Learners** with popular authentic and translated texts.
- **Boost your language programs** with immersive content in different formats, at different reading levels and across different genres.
- **Easy management** of titles and curated collections, no shelf space or physical processing necessary.
- **Purchasing support** from credentialed Digital Content Librarians.
- **Free Spanish- and English-language outreach resources** to help you promote your books.
