

Getting started with

Kindle® ereaders

You can borrow Kindle Books (U.S. only) from your school and deliver them wirelessly to your Kindle ereader.

NOTE: If you have a Kindle Fire, you may be able to use the OverDrive app to borrow and download ebooks directly to your device. For more help, visit help.overdrive.com.

STEP 1

Find your school's digital collection using the OverDrive app or overdrive.com/libraries.

STEP 2

In your school's digital collection, borrow an ebook that's available in the **Kindle Book** format.

STEP 3

From your **Checkouts** page, select **Read now with Kindle**. You'll be taken to Amazon's website to complete your checkout.

STEP 4

Follow the on-screen prompts to **Get library book** and wirelessly deliver it to your Kindle ereader. You'll need to sign into (or create) an Amazon account to complete this process.

NOTE: Your Kindle ereader needs a Wi-Fi internet connection to download school Kindle Books from Amazon. If you aren't connected to Wi-Fi, you'll need to transfer Kindle Books to your Kindle ereader via USB.

Once you deliver a school Kindle Book to your Kindle ereader, it works like any other Kindle Book.
