

# Getting Kindle Books from Sora

**With Sora, you can send most ebooks to a Kindle after you borrow them.**

1

Install the Sora app from the Apple App Store or Google Play Store, or go to [soraapp.com](https://soraapp.com).

2

In Sora, find your school (or enter your school's setup code), then sign in.

3

Borrow an ebook. To only see ebooks that can be sent to Kindle, tap **Filters** (at the top of a collection or search results screen), then change **Compatibility** to **Kindle (U.S. only)**. The book will open in Sora when you borrow it.

4

Close the book and go to your **Shelf**. From there, tap **Options**, then **Send to device**, then **Send to Kindle (U.S. only)**. You'll be taken to Amazon's website to finish sending the ebook to Kindle.

- If you're signed into Amazon, tap **Get library book**. The book will appear in all your Kindle apps and devices.
- If you're not signed into Amazon, follow the prompts to sign in. Then, tap **Get library book**.

5

If you always want to read on your Kindle, you can make Kindle your preferred reading device:

1. In Sora, open the menu.
2. Select **All Settings**, then **Read Books Using...**
3. Tap **Kindle (U.S. only)**, then tap **Done**.

With this setting, you'll always go to Amazon right after borrowing a compatible ebook.
