

Save time with Sora Bookshelf Service

Our credentialed librarians can help you pick books for students!

Delivering the latest and greatest ebooks and audiobooks to your students doesn't have to take tons of time or effort – at least, it doesn't with Sora Bookshelf Service!

WHAT IS SORA BOOKSHELF SERVICE?

Sora Bookshelf Service gives schools with Sora access to professional digital book selection. Simply select the packages and grade bands best suited to your needs to create your purchasing budget. Then, each month, your dedicated Digital Content Librarian will suggest new titles for your school, focusing on:

- New releases (past month)
- Award winners
- Bestsellers

HOW DOES IT WORK?

Schools choose from four digital book packages. Each package features an elementary, middle and high school grade band, for a maximum of 12 lists. You can select as many or as few lists as you need.

You'll have the opportunity to review and approve all titles and can modify your preferences at any time.

Pricing for your book selections will start at \$250 per month, per grade banded list. Total cost may vary based on the size of your school and the number of copies desired for each title.
