

Still using the OverDrive app?

Switch to Libby!

The legacy OverDrive app will soon be retired and our digital library will best be enjoyed with Libby. Libby offers the same collection of digital titles from our library, but with new features we know you'll love:

- A unified bookshelf for all your loans and holds
- Tags to categorize your books
- Push notifications
- Preferences to see only the content you like
- Support for Apple CarPlay and Android Auto
- Wish List syncing across libraries and devices
- And more!

Libby.
