Films that matter

We are thrilled to have you as part of the Kanopy family and can't wait to help you start spreading the word to your community.

This programming guide includes a description of each item included in the Pay-Per-Use (PPU) marketing kit, social media post copy and programming ideas to help ensure you are promoting Kanopy effectively. **Ok, let's dive right in!**

The “Must-Dos” — A Marketing Checklist

To ensure your patrons know that they have access to Kanopy, here is a checklist of marketing items we've seen other libraries do to spread the word. The resources in this marketing kit can help you achieve each of the below items!

- ☒ Give Kanopy a spot on your website.
- ☒ Post an announcement on social media.
- ☒ Mention Kanopy in your newsletter.
- ☒ Place printouts near your physical DVD collection or at the front desk.
- ☒ Make sure your staff is up to speed, so they can spread the word and offer patron support.

PPU Onboarding Kit Material Description:

- **Digital Asset 1080x1080** – Post this image on Instagram to let your community know Kanopy is available.
- **Digital Asset 1200x627** - Post this image on X (Twitter) and Facebook to let your community know Kanopy is available.
- **Digital Asset 1920x1080** – Place a monitor in your physical DVD collection to promote patrons can find films on Kanopy.
- **Print 11x17** – Hang posters in your physical location.
- **Print 8.5x11** – Place at the front desk or around your libraries to spread the word.
- **Bookmark** - Place at the front desk or around your libraries to help your patrons get started on Kanopy.
- **Kanopy Logo Kit** – Use these logos to place on your library website or in newsletters
- **Press Release Template** – Use this template and your local press to spread the word to your community that you now offer Kanopy.

Programming Ideas:

- Host a film club where you show a Kanopy film at your library and discuss afterwards.
- Select a film of the week and post it on social media on Fridays right before the weekend.
- Offer a dinner and a movie. Host a cooking class and watch a film while your patrons sit and enjoy the meal they prepared.
- Each month, pair a film with like books. Promote the film and the book title and hold in-person discussions about both at your library.
- There are many instructional videos with Public Performance Rights available. Host a workout class at your library or even at a local senior center and show Richard Simmons *Sweatin' to the Oldies*. Reach the sewers in your community with a showing of *Sewing Essentials*.
