The library reading app

"This year marked our most successful Library Giving Day yet. The Libby campaign resonated with digital-first users who don't visit our physical branches."

Kaitlin Booth, Collection Development Coordinator, Akron-Summit County Public Library, Ohio

Unlock More Reading, Instantly. Budget-Friendly, Library Approved.

All Access Ebook Collections - Give your community what they want, when they want it without stretching your budget. Our simultaneous use collections offer no holds, no waitlists, and one flat fee for unlimited access.

Collections Include: Romance | Kids Building Blocks Library | Cornerstone | Supersonic Phonics **Connect with your account manager to learn more.**

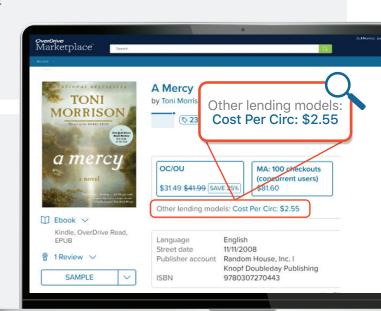

"Our patrons love having instant access to the latest romance titles with no wait times, and the budget-friendly subscription is a perfect fit for our library."

Danielle Stanley, Electronic Resources Manager, Phoenix Public Library, Arizona

More Visibility. Less Guesswork. Smarter Collection & Budget Decisions.

Cost Per Circ (CPC) Price Visibility - When browsing One Copy/ One User and Metered Access titles in Marketplace, you'll now see if a Cost Per Circ (CPC) option is available, with a clickable price link. This added visibility helps you easily compare lending models and make the most of your collection dollars.

Visit Marketplace to see these price comparisons in action.

Flexible Budget Options for Popular Reads

Cost-Per-Circ (CPC) Budget Updates - Support your library's programming including book clubs, community reads, or special programs with tailored CPC budgets. Allocate funds by title or curated groups to get the most out of every dollar, with greater control and flexibility over your collection strategy. Get started in Marketplace today.

"Having multiple CPC budgets helps us to better manage our internal budgets and target limited funds to most needed areas, which will ultimately result in better patron service."

Nanette Alderman, Acquisition Librarian, Salt Lake County Library, Utah
