- Metered access titles with no time

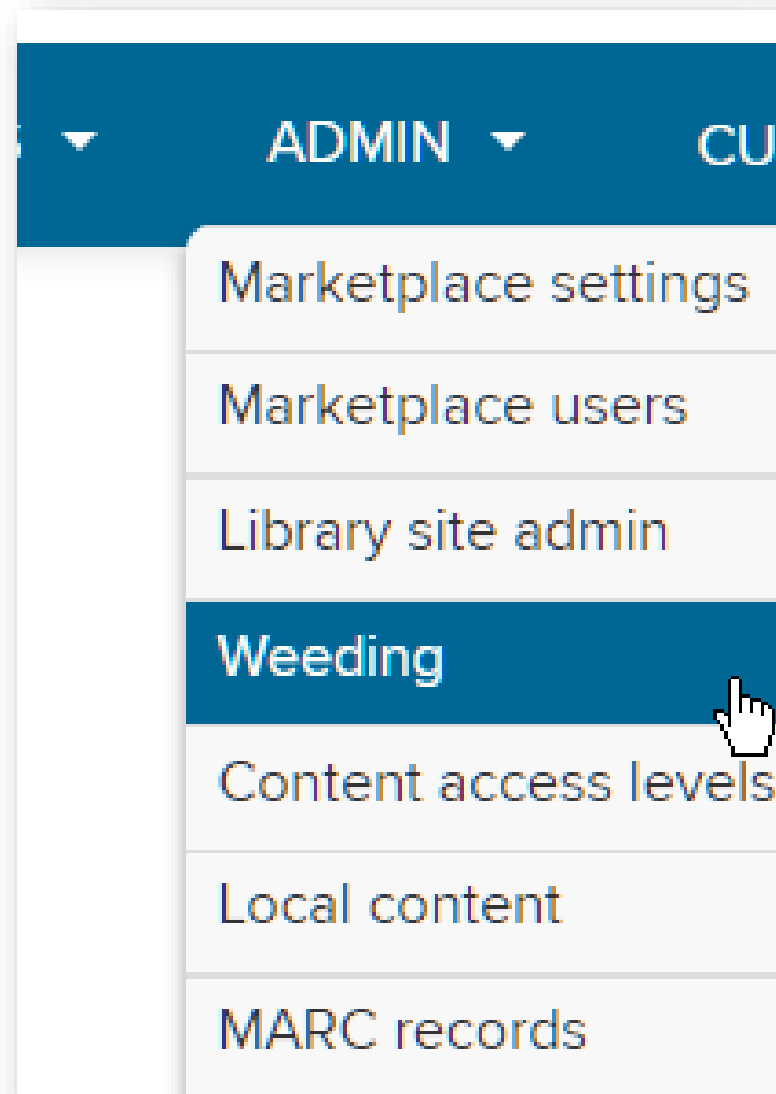

2. Outdated materials

- Legal materials
- Medical journals
- Test prep

Weeding permission in Marketplace is required.

Set additional criteria:

- Titles no longer available for purchase.
- Titles with 0 active holds.

A screenshot of a configuration form titled 'Holdings'. It contains several sections with checkboxes and radio buttons. The first section asks 'Do you want to weed all expired Metered Access titles?' with two radio button options: 'Yes; weed all expired Metered Access titles' and 'No; weed only these kinds of expired Metered Access titles:'. Under the 'No' option, there are three checked checkboxes: 'Metered Access by time' (with subtext 'These expired titles have 0 days remaining.'), 'Metered Access by checkout' (with subtext 'These expired titles have 0 checkouts remaining.'), and 'Metered Access by the earlier of x time or y checkouts' (with subtext 'These expired titles either ran out of time or checkouts.'). The second section, 'Collection development policies', has one checked checkbox: 'Weed titles that are no longer available for purchase in Marketplace.' The third section, 'User demand', has one unchecked checkbox: 'Weed titles with 0 active holds.' At the bottom are three buttons: 'SAVE' (green), 'RESET', and 'CANCEL'.
