Step 1: From your Home screen, tap on your story circle then upload our story template by selecting it from your camera roll.

Step 2: Tap on the three dots in the top right corner to use the draw feature & make your choices. Then, tap the white arrow in the bottom right to publish to your stories.

Step 3: Don't forget to include instructions on how to screenshot the template and who to share it with!

Step 4: Post the blank template in your stories so your followers can save it for their own stories.
