 =520 \\\$aWitty and wonderful, sparkling and sophisticated, this debut romantic comedy brilliantly tells the story of one very messy, very high-profile divorce, and the endearingly cynical young lawyer dragooned into handling it. Twenty-nine-year-old Sophie Diehl is happy toiling away as a criminal law associate at an old line New England firm where she very much appreciates that most of her clients are behind bars. Everyone at Traynor, Hand knows she abhors face-to-face contact, but one weekend, with all the big partners away, Sophie must handle the intake interview for the daughter of the firm's most important client. After eighteen years of marriage, Mayflower descendant Mia Meiklejohn Durkheim has just been served divorce papers in a humiliating scene at the popular local restaurant, Golightly's. She is locked and loaded to fight her eminent and ambitious husband, Dr. Daniel Durkheim, Chief of the Department of Pediatric Oncology, for custody of their ten-year-old...

=520  \aPeter Heller, the celebrated author of the breakout best seller The Dog Stars, returns with
an achingly beautiful, wildly suspenseful second novel about an artist trying to outrun his past. Years
ago, Jim Stegner shot a man in a bar. The man lived, Jim served his time, and he has learned to
control the dark impulses that threaten to overtake him. Jim lives a quiet life. He doesn't drink. He
goes fishing. He works as a painter, selling his art for good money at a gallery in Santa Fe. One day,
driving down a dirt road, Jim sees a man beating a small horse. Without thinking, he stops, jumps out
of the truck, and tackles the man, punching him and breaking his nose. The man is Dell, an outfitter
notorious among locals, and the altercation awakens an anger inside of Jim. At night Jim paints. He
paints a man digging a grave. Horrified, Jim hides the painting, but he can't hide his rage over the
horse. Under a full moon, Jim goes to the river, and running into Dell, drunk...

 =520 11\$aThough born without great beauty, wealth, or title, Anne Boleyn blossomed into a captivating woman. She used her wiles to win the heart of England's most powerful man, King Henry VIII, and persuade him to defy everyone—including his own wife—to make her his new queen. But Anne's ambition was her fatal flaw. This is the true story of the girl everyone loved to hate. Carolyn Meyer's engrossing third novel in the award-winning Young Royals series tells Anne's fascinating story in her own voice—from her life as an awkward girl to the dramatic moments before her death.

It seems like only Kirsten's younger science-geek sister is on her side. Walker's goal is to survive at the new white private school his mom has sent him to because she thinks he's going to screw up like his cousin. But he's a good kid. So is his friend Matteo, though no one knows why he'll do absolutely anything that hot blond Brianna asks of him. But all of this feels almost trivial when Kirsten and Walker discover a secret that shakes them both to the core.

Determined to reign over what is rightfully hers, Mary returns to Scotland. Hoping that a husband will help her secure the coveted English throne, she marries again, but the love and security she longs for elude her. =520 \\\$aEver since returning from Dormia, Alfonso has enjoyed sleeping in a bed like a normal person. No more waking up at the top of a tree or the edge of a cliff. In fact, no sleepwalking at all. But then, while visiting France on a class trip, Alfonso feels that strange and familiar pull of sleep. Upon waking, he finds himself in the belly of a ship headed to Egypt. In his backpack are a few old books and a vial of medicine he stole while asleep. Something is calling Alfonso back to Dormia. Perhaps it's the Founding Tree? Or perhaps it's the man he sees in his dreams; the one who looks just like his deceased father? Whatever it is, Alfonso is powerless to resist. Storytellers Jake Halpern and Peter Kujawinski take Alfonso on another fantastical quest to Dormia; and beyond; to a vast underground world that holds the answer to a terrifying message: Let me tell you of a dark shadow tree and the world's end.

=520 \\\$aIn this long-awaited finale to the Dormia trilogy, the dreaded nursery rhyme comes to life at last as a "dark shadow tree" threatens to cause the "world's end." And who will stop it? Alfonso is now an aging, Resuza and Hill are slaves, Bilblox appears to be a traitor, and Leif is shipwrecked on the edge of a forbidding forest. An ancient prophecy states that the tree can be destroyed, but the price must be paid in blood, and whoever tries faces certain death. Nonetheless, a hero must journey northward, across the great polar expanse, to Dargora; the mythical city built of ice and human bones; and make the sacrifice before it's too late. All hope rests with a hooded girl, trudging her way through miles of desolate land. She walks slowly, carefully, methodically. Every so often, she stops to listen. She senses that she is being followed, but she is more concerned with the contents of her backpack. Nestled inside is a newborn baby, and he must be...

Alex and Darla have been staying with Alex’s relatives, trying to cope with the new reality of the primitive world so vividly portrayed in Ashfall, the first book in this series. It’s also been six months of waiting for Alex’s parents to return from Iowa. Alex and Darla decide they can wait no longer and must retrace their journey into Iowa to find and bring back Alex’s parents to the tenuous safety of Illinois. But the landscape they cross is even more perilous than before, with life-and-death battles for food and power between the remaining communities. When the unthinkable happens, Alex must find new reserves of strength and determination to survive.
