

Getting started with Sora

What is Sora?

Sora is a quick, easy way for your child to read ebooks and audiobooks provided by your school. As a classroom-ready school reading platform, Sora helps students build confidence, improve literacy skills, and develop a lifelong love of reading.

What do I get with Sora?

- 24/7 access—offline support, too!
- Multiple engaging formats across subjects
- Achievements and milestones
- Reading goals and fun challenges
- Built-in dictionary and note-taking tools
- Automatic syncing
- Customizable reading and listening features
- Accessibility support
- Multilingual app interface

How do I get started with Sora?

Step 1: Install the Sora app from the Apple App Store or Google Play Store, or go to soraapp.com.

Step 2: In Sora, find your school or enter your school's setup code to sign in:
[setup code]

Note: If you need your student's sign-in information, like username or password, talk to a teacher.

Step 3: Browse the Explore tab or search for a title and then borrow a book. The book will open so you can start reading right away.

How can I learn more about Sora?

For tips and tutorials, try discoversora.com or chat with the Sora administrator at your school.
